FALL 2012 OFFERINGS

NEW!! WEARABLE QUILT DESIGNS (\$236)

The various quilting techniques such as crazy quilt, Bargello, stained glass, and more, lend themselves to making some unique clothing. You will be making sample pieces of the various techniques. Once you've seen

samples of garments, and work with the various techniques, you can decide which one, or ones, you want to incorporate into a piece of clothing, or embellish a ready-to-wear piece.

Monday 7-10pm (9/17—11/19) no class 10/8, 11/12)
Sheila Vargas

LITTLE BLACK DRESS (\$236)

Most of us talk about "The Little Black Dress" so why not make one that flatters and fits well. Find the silhouette that best suits your body and create the dress of your choice. We will accessorize to complete the look and even discover ways to add versatility to it.

Thursdays 9-Noon (9/27—11/15)
Jane Headley

FABRIC FLOWERS \$236

You will create flowers by following directions from patterns that range from a 1926 millinery flower pattern to those that are currently available today. You will learn the process, techniques, and use of materials by making at least 8 different flowers ranging in use for embellishment of formal/bridal wear as well as projects that may be used for decoration of casual clothing, purses, home décor, etc.

Thursdays 7-10PM (9/27—11/29) no class 10/25, 11/22
Evie Moder

JEANS (\$236)

Create customized jeans using "J Stern Design" commercial patterns for misses & women's sizes. Make a great fitting pair no matter what figure type you are. Learn the tricks of the trade to get professional results with topstitching, pocket styles, fly fronts, and waistbands. You will also get expert advice on embroidery details.

Fridays 9-2PM (9/21, 10/5, 10/19, 11/2, 11/16)
Jennifer Stern Hasemann

CONTEMPORARY TAILORING (\$236)

Students will make a tailored jacket or coat using time saving methods and materials. The emphasis will be on fusible techniques for under linings, interfacings, and tapings. The linings will be sewn in by machine. Fabric for garment is not limited to woolsens.

WINTER 2013 OFFERINGS

WONDERFUL KNITS (\$236)

Learn to create a versatile wardrobe using the latest knits. This course will cover how to choose quality fabrics and patterns selected for knits. Discover the techniques that will give professional results in a wardrobe designed around a few key pieces. Most work will be done on conventional sewing machines, although the use of sergers will be covered.

Mondays 9-Noon (1/7—3/4) no class 2/18
Heather Lee

COUTURE COLLECTION (\$236)

Corsets, boning, underlining, support fabrics, waist stays are all part of a good foundation. You will start with a form fitting corset foundation to build onto and end with an evening ensemble. Getting the "know-how" while selecting and working with fabulous fabrics. Couture Collection is essential for special occasion designs.

Mondays 7-10PM (1/7—3/4) no class 2/18
Diane Martin

"MAKE IT" WORK (\$236)

**Prerequisite—MSII Advanced
Patternmaking or Form/Draping**

It is more about patternmaking, draping and measurements. It is whatever it takes to make an ensemble work for you including selecting a pattern and fabric. Learn more about working with a dress form and the drape of the fabric, and how to apply your measurements for a better fit.

Wednesdays 9-Noon (1/9—3/6) no class 2/20
Diane Martin

COUTURE DETAILS (\$236)

It's the details that make a difference. You will explore the high quality designer's techniques that will bring your clothing to the next level to give them a professional look from ordinary to couture. The project will be to create a notebook of samples and how to apply them into your designs.

Thursdays 9-Noon (1/10—3/7) no class 2/21
Jane Headley

PANTS DRAFTING (\$236)

With just a few measurements you will learn to draft a basic pants pattern for any 'body.' You will also learn about pant fitting and draping plus create different pant style patterns and get tips on constructing a pair of pants.
